All over 2,000	\$3.85/1,000 gallons plus Energy Adjustment Charge*

### **“H” Rate – Hydrant meters**

\$50.00 Initial meter fee per meter plus \$10.00 per month for user fee	
2,000 gallon minimum	\$15.00
Next 28,000 gallons	\$3.23/1,000 gallons plus Energy Adjustment Charge*
Over 30,000 gallons	\$3.78/1,000 gallons plus Energy Adjustment Charge*

### **“M” Rate - Multiple Occupancy:**

One minimum will be charged for each Unit or Space.

For each minimum charged, the customer will be entitled to two thousand (2,000) gallons of water.

Rates will be applied as above

- \* The Energy Adjustment charge shall be calculated each month by means of the “Moving Average Method” using the cost of all electrical energy consumed during a three month period prior to the current billing period and the total water sales during the same period. The charge thus determined shall be expressed as a four decimal number per one thousand (1000) gallons of water sold.
