

## **NEW RESIDENTIAL 3/4" SERVICE PROCEDURE**

- 1) **Obtain a Permit or Waiver from Permits Office:**  
500 School Street, Houma, LA  
985-873-6567
- 2) **Bring Permit or Waiver and a Picture ID to:**  
Consolidated Waterworks District Number 1  
8814 Main Street, Houma, LA  
985-879-2495

**Be prepared to pay:**

\$600.00 New Service Installation Fee  
15.00 Meter Installation Fee  
50.00 Refundable Meter Deposit  
\$665.00

You will be given a stick with blue paint on one end.

- 3) Place the stick within 5' of the water main where you would like the meter installed.  
This will usually be within 5' of the front footage of your property.
- 4) **Call (985-879-2495) Consolidated Waterworks and report your stick is up.**
- 5) Your meter box will be installed within 7 to 14 working days.
- 6) Once your meter is installed, you will need to attach to your side of the box the following:
  - a) 3/4" x 5" Brass Nipple
  - b) 3/4" Brass Shut Off Valve
- 7) **Call (985-879-2495) Consolidated Waterworks and report your shut off valve is attached.**
- 8) Your meter will be installed in 1 to 2 days.
